PT Services Feedback

Thanks for helping us improve our services. We picked you to test our new coach because we trust your judgment! Your feedback will form a major part of our decision to hire.

1. Did the coach arrive on time?
2. What was your first impression?
3. Did the coach teach you anything new?
4. How much did he smile?
5. Would you trust him to babysit your kids? (That's how much trust we like to have in our coaches.)
6. Did he make your day better, worse or have little effect?
7. If he were available, would you consider doing more one-on-one sessions with this coach?

Thanks. You're really helping us out here.
